Services: The American Cancer Society provides information, day-to-day help, and emotional support to people with cancer and their families. The Society educates women about the importance of early detection and following recommended breast cancer screening guidelines. At www.cancer.org, women can sign up for a free mammogram reminder that will be e-mailed to them each year so they won't forget to schedule their yearly mammogram. We also advocate for important public policies and programs to ensure all women have access to breast cancer screening tests and care, regardless of their ability to pay.
